

Chapter 5

Basic writing Skills

Writing skills are the ability to express ideas clearly and effectively in written form.

Good writing helps in communication, exams, emails and daily work.

Clarity: Write in simple and easy to understand language.

Correctness: Use proper grammar, spelling and punctuation.

Completeness: Include all important information.

Organization: Arrange ideas in proper order.

Vocabulary: Use appropriate and meaningful words.

Tone: Keep the writing polite and suitable for the situation.

Proofreading :- checking your mistakes
before finalizing good writing
skills help in clear expression, better
understanding and effective communi-
-cation.
